Foreword

Last week's games showed that Armadale are not going to be easily put out of the top four and that Gosnells are definitely the side to beat.

Armadale by their victory over Kalamunda showed great fighting spirit and a return to their early season form. Kalamunda, after several good wins may have been too confident.

Kelmscott, as expected, beat Kwinana and kept their finals hopes alive, although victory was not as easy as was expected. Kwinana battled very hard and was a great improvement.

Gosnells brought Canning back to earth and in doing so showed a return to their top. They are definitely the side to beat. Canning never gave up and showed that their recent form is no fluke.

Kenwick had a win at the expense of Mandurah, however both clubs can only look forward to 1978.

Maddington were far too strong for Thornlie and they are gradually coming into top form. Thornlie only have two weeks to bring up their first score.

TODAY'S GAMES:

Armadale v KELMSCOTT. The First draw of the season.
Kwinana v Kenwick. Kenwick
Kalamunda v Canning. Kalamunda to return to the winning list.
Mandurah v Thornlie Mandurah too strong at home.
Gosnells v Maddington. Gosnells to continue.

KOUGARS

Atrocious weather conditions last Sunday turned what was potentially the match of the season into a rugby type encounter, completely lacking in finesse and football skills. Gosnells, through greater determination and desire to win the ball, ran out narrow though comfortable winners in a contest that gave little indication of the dry weather ability of the either side. We congratulate Gosnells, and concede they rightfully deserve their title of the competition's top football side, but remind them of two old but apt cliches — the higher the climb the harder the fall and finals are a different ball game!

If we allowed comment on umpires — which we aren't, so we won't — we might say that many people at the game, including a highly ranked official, were puzzled why a Gosnells player was not charged for deliberately striking Paul Polsen, Umpire Randell apparently considered the incident worth a "free", which is small reward for a broken nose, but we wonder what the interpretation would have been had Polsen struck the blow? Never mind, we only have to wait until our next clash to find out.

A supporters incentive scheme for a 1977 Tiger premiership was placed in the clubrooms on Sunday, with Tiger followers quickly rallying to the tune of $400. Your pledge from $1 upwards is welcome, Club officials are hopeful that at least $1,000 will be available if we can bring home our first pennant for 12 years, so get behind your club and play your part in this year's premiership quest.

Supporters are also reminded that after each finals appearance, and we hope to see three, Wyong oval will be thrown open for celebration — win, lose or draw. Such celebrations have been rare at Canning in the last decade and we fully intend to tastefully savour whatever comes our way during the finals.

THE TIGERS

Today's game against Canning will be a major test for us, because although they lost last week, they have been in good form of late and are no doubt keen to defeat us well. We can look forward to playing better than we did last week against Armadale as the weather conditions could not be that poor again and we are playing at home, and we definitely play far better at home than we do away.

Last week's defeat could be put down to a number of different reasons, and lack of application, must be one of them, but it is also fair to mention the absence of a number of regular team members, and the timing of a very heavy downpour of rain late in the third quarter making good football impossible from that point of time onwards. We hope the last two reasons will not be operative for today's game, so the Canning team can look forward to a hard tough game, which despite the great differences in our respective places on the league ladder should be a very even game, and with last week's form excepted, on our present form, we can look forward to victory.

Last week's reserves win was full of merit, having to hold out against the gale force wind during the last quarter, when Armadale could have been expected to finish strongly, especially as they had been in front at half time. Similar application today against Canning will ensure victory for the reserves in what is their best season for many years.

Don't forget the Quiz Night — Wednesday 17th August at the High Wycombe Hotel — Cost $2.00 per person. The quiz master is the State and Perth coach Ken Armstrong, so invite along all your friends or if you have none, invite your relations and make this a great night.

To the Canning players, officials and supporters, we cordialy invite you to our after game Social at the Wattle Grove Hall.

THE LIONS

Due to the blowing sands from the Simpson Desert and the restricted view from the canteen window, I am unable to give my usual kick by kick description of the game. However I will perservere.

The reserves team gave a good account of themselves against the Bulls with a loss of 5 goals plus Peter's 2 teeth. With injuries taking a toll on the teams, this week saw some of the 18's come to the rescue and Paul Shepherd was named as one of the best players, others Alex Nie and Trevor Sturke.

The league side was beaten by a stronger team but players tried hard, lead by Captain Osborne, Kambalda, Williams and Gavin Denton.

Today we travel to Mandurah (hope the footy is as good as the crabbing.)

All the best to teams reaching the final four.

LION OF THE WEEK: T.G. Coombes — a reserves player, returned to the club this season and a guy worth having around. Wife Debbie also a winner and always ready to help. True Lions.

Don't miss our "bumper column" next issue.

Keep Roaring,
Happy Days,

THE BULLDOGS

Under extreme climatic conditions of wind, sand and rain the reserve side ran out winners against the Knights last Sunday. Good efforts were put in by Paul Cescitti, Murray Mansen, Peter Leives and Alan Scari. With 2 games to go and important ones to win, the reserve side look like playing in the 1st semi-final.

The league side had a win against Kwinana, but just to win is not good enough. With Eddy Donnes, Barry Miles and Brian Andrijich giving a lot more balance to the side, the desire of all players to enter the final four must be at 100%. Better players on the day where Ray Witt, Tony Hildebrandt and Geoff Steel.

On the 17th July we said the game against Maddington would decide the league final four for 1977. Today's game against Armadale will be that game. They are the side which is holding us out, but what is stopping our move forward is ourselves. Today we are going to prove to ourselves what we can do by producing the right attitude, desire and will to win the derby and we start to think this way when we enter the gates of this oval not in the last quarter.

Last Sunday the 16's and Under were defeated by Thornlie. (3 goals) and the coach Mr. P. Edwards would like to thank all the boys who tried hard in that game and the previous two games.

The 18's and Under play in a vital 2nd semi-final against Gosnells today. With the same desire to be first to the ball we will beat our opponents for the 2nd time this year. That means 100% effort from everybody and we are not going to let 77 pass without that flag. Congratulations to Barry Clarke one of the real triers on the team for winning the Association Fairest and Best in the 18's .

We call all produce the football to win.

SOCIAL: The committee thank the senior players that attended the cabaret on August 5th what happened to the rest of you.

August 26th, the Junior Body will be holding a function at John Dunne and a lot of fun is ensured.

September the 2nd is the Vote counting and sponsorship awards night (league, reserves and 18's). All senior players will be there.

MIGHTY ROYALS

Last week's blustery conditions didn't make any difference to our plans of winning the double against Mandurah. Both the seconds and league teams won quite convincingly. The seconds match was a good game of football, marred only by the strong winds. It was a good team effort and the trophy winners were Angie Fimognari, who won the Edna and Sonny Robins Award, Mike Strang, the Supporters Award, and Brian O'Donnell, the Coaches Award.

The league match was of a very high standard and the wind didn't seem to make all that much difference to the players. The Mandurah players put in more effort than was shown on the scoreboard, but unfortunately they couldn't match us in the skills department. Players who won awards were Al Hambley, who won the supporters award, Geoff Truscott, the Edna and Sonny Robins Award, Norm Miller, the Mike Walker Award for the best back man, and Ray Winduss won himself a shirt from Mainardi & Co. Other players worthy of a mention were Ken Staines, Greg Narrier, Gary Worthington and Kevin Wilson. Overall it was a good team effort and an equally good result. Thanks very much to the Mandurah supporters and players who stayed behind after the game and enjoyed our hospitality.

Congratulations to our teams in the junior competitions on making the finals and the grand finals. The juniors are quite confident of winning 2 or 3 of the premierships and if any of the senior players can make it to the grounds, your support could help the youngsters to win these premierships. Once again, congratulations to all the boys concerned and to their coaches.

Thanks very much to the association president, Mr. Reg Blackburn, for attending at Mills Park last Sunday and drawing the winning ticket in our raffle for the surf cat. The winning ticket was bought by Mr. Harding of Willetton.

THE HAWKS

Congratulations to all the players on their magnificent double victory against Canning last Sunday.

The league match provided an exciting spectacle of high standard football in conditions which proved very difficult when kicking against the wind. All players demonstrated great team work the result of which showed clearly on the scoreboard. Outstanding performances were displayed by Jim Kidd, Laur[illegible] Ricetti and coach Peter Dougan.

The Reserves again played consistently [illegible] they have done all year and registered another good win. Best players in this match were Carl Palinkas, Murray Jones, Peter Richards and John Lennon. The Reserves still appear strong contenders for the flag with really only one team to beat in Kenwick. They possess the ability and the depth of a great side and this should be a most rewarding year for all reserve players as well as coach Graham Dwyer.

SOCIAL: Members and friends are invited to our Club Cabaret at the clubrooms on Friday August 26th. $2.00 per double. Basket Supper.

DEMONS DIGEST

Today is THE day folks. Not only are we hosts to our neighbours and local derby rivals from Kelmscott, the Bulldogs, and it is our last home game for this season; the winner of the league game between the Demons and the Bulldogs will be virtually assured of the fourth spot, and a place in the finals. This game will be better than the grand final itself!

To Gary Greer and all your team, the very best of luc, ask for no quarter, give no quarter, we're ALL with you, fellas!

Last week at Gwynne Park the league side downed the Kougars from Kalamunda in convincing style with good relentless pressure and fierce determination. Every player did their bit to contribute to the overall teamwork. Gary Constantine put in a first class effort, and Ross "Bull" Stephen was the perfect example of that "over my dead body" attitude. The wet weather marking of big Danny Civich was one of the highlights of the match. After last week's game the M.W.S. need look no further for that badly needed water, just come to Gwynne Dam, and your troubles will be over! All that water reminded me of those Irish swimming pools with a "NO SMOKING" sign painted on the bottom!

The Reserves match was fielded with a makeshift Demons side, due to injuries etc. That number 12 in the forward pocket reminded me of somebody! The game raised no comment from Rowie, but it further enhanced the reputation of young Alan "Hendo" Henderson, as a future league side rover.

The Under 18's went out of the finals in their game against Maddington at Thornlie last week. Never mind fellas, you've had a good season, and I hope you take time out to thank your coach Perce Reed for the work he has put into your team this year.

TALK OF BULL

In conditions that could only be described as atrocious both our senior teams recorded sound victories against the Thornlie Lions.

The seconds again only put 3 quarters of football together. Players who handled the conditions well and turned in meritorious games were Trevor James, Mick O'Halloran and Gordon Mavric (whose ground play has improved greatly).

The league team, after a poor 1st quarter, where they kicked 2 goals 12 points, went on to a fine win. All players seem now to be lifting their performances and players to show out were Colin Walker, unbeatable in the ruck, Milan Trifunovic, Jim Di Carlo and the whole back line, who kept the opposition down to 5 scoring shots. Also very pleasing to see coach Dennis Cometti come back to form after a serious injury which kept him on the sideline for many weeks.

Our under 18's won their 1st semi-final clash last Sunday and will now play the Preliminary Final at Thornlie Oval on the 21.8.77. Best of luck for this encounter fellas.

SOCIAL: A games night (for bucks only) will be held on the 19th August and entry fee will be $3 per head. Refreshments and a light snack will be included in this fee. Just a reminder to keep 14.10.77 free for the club's Annual Dinner and Trophy presentations.

THE KNIGHTS NOTES

Last Sunday we met Kelmscott in absolutely shocking conditions and yet again registered a double loss. Kelmscott are to be congratulated for their wins, but I'm sure they must do something wrong to the big "G" because the weather is always B..... shocking when we play them.

Congratulations go to all those players who really fought out the League game, who never gave in to the final siren. Special mentions go to L. Smith, T. Lloyd, G. Frazer and A. Gow for playing two games. Some of the marks in this game were fantastic, as it was a case of th hand was quicker than the eye.

The Seconds was a different story as Kelmscott won easily. However, with a makeshift side and lack of numbers, the players, like the league side, should be admire as they tried hard until full time.

Best Players: League: T. Davis, A. Draggett, F. Legena and S. Smith.

Seconds: T. Read, G. Frazer, N. Roberts and S. Muir.

Congratulations also go to the boundary umpires of both for persistently throwing the ball back into play from the dead (alias hurricane) pocket. I think they would have done more work than anybody else on the ground.

This week we invite Kenwick to remain behind for a few ales after the matches.
